KIA ORA

From the traditional Maori pōwhiri to a catch-up with friends or an invitation to a home-cooked meal, New Zealanders know how to open their hearts. At EDENZ, you're not a stranger or even a visitor, you're a friend. And when you study with us, our campus is your home.

We're a vibrant, forward-looking education provider, respected for the high quality of our programmes with employers actively seeking our graduates both here in New Zealand and worldwide. EDENZ is unique in that you can enjoy mixing with Kiwis as well as people from other countries.

The quality of our training has been formally recognised by the New Zealand Qualifications Authority (NZQA), awarding EDENZ Colleges the highest rating possible as a Category One education provider, with ratings of Highly Confident in Educational Performance and Highly Confident in Self-Assessment.

EDENZ is a great place to study. We often get positive feedback about our learning environment, including facilities, teaching and resources. We are proud of our history and are dedicated to helping you build the future you want. In fact, our mission is: **To impact and change our generation with success for life.** We look forward to having you join us as a student and as one of our successful alumni.

EDENZ – Changing Lives, Life Changing.

Rob Simpson MBA BEd
EXECUTIVE PRINCIPAL OF EDENZ COLLEGES

AUCKLAND

THE CITY OF SAILS

Auckland's alive with energy! Auckland is New Zealand's biggest city and a complete region in its own right. Situated between two natural harbours, it has all the facilities and attractions that students enjoy; world-class entertainment, shopping, restaurants, bars, galleries and convenient transport systems. Within easy reach are beautiful beaches, protected regional parks, vineyards, unspoilt bush and glittering surf. And you can always do something more extreme, like bungee jumping or a jet boat ride!

ABOUT EDENZ

We want your experience to be satisfying on multiple levels - academic, social, personal and practical. Whatever your goal, EDENZ equips you with skills and experience to help you to realise your dream. Are you looking for specific training in 3D Animation, Film or English language teaching? Perhaps your focus is in the world of Business Management, Technology, or you need to improve your English language skills. One of our six Academies will put you on the road to success.

AUCKLAND CITY CAMPUS

Our Auckland City Campus is in the heart of Auckland's Central Business District (CBD) in a purpose-built, modern 6-storey building. This houses all six Academies. Students have access to a spacious on-site café, library, computer labs and student common rooms. Our top two floors are reserved for the EDENZ Apartments, which offer shared accommodation for long-term students. Classrooms are spacious and equipped with modern educational facilities.

LIBRARY & SELF-DIRECTED LEARNING CENTRE

EDENZ has a well-resourced library and a professional librarian available to assist students. All students have access to a wealth of resources, including more than 6,500 books and periodicals, non-book material such as DVDs, e-books, and various electronic databases. For more information and to see the resources available, search our online catalogue at <http://library.edenz.ac.nz>. Current students may use this web page or a mobile phone app to search, reserve and review titles and check loans using their student IDs. Students have the use of computers with Internet access either in our self-directed learning centre or library. You are welcome to bring your own device.

THE WORLD IS ON YOUR DOORSTEP

Study at EDENZ and you're likely to meet students from all over the world. That's because good news travels fast. So whatever your course, the chances are you will meet someone from a country you've never been to, even if that's a local Kiwi. We think this makes for a richer, cosmopolitan learning environment that can lead to new cultural insights and lasting friendships.

nzenGLISHacademy

UNLOCK YOUR POTENTIAL

Our English language classes help you settle in New Zealand and provide you with skills to build your confidence as an effective English communicator. We want to inspire you with the English language, involve you in activities and lead you to being a more self-directed and independent learner. Our experienced teachers are dedicated to helping every student reach their goals.

Academic English

NZCEL (Levels 1 to 5)

Preparation for the New Zealand Certificate in English Language (NZCEL) is offered by EDENZ in 16 week block courses throughout the year, for students who intend to progress on to further academic or vocational study in New Zealand.

IELTS Preparation

The International English Language Testing System (IELTS) is an internationally-recognised English language proficiency test for study, employment and immigration purposes. Our high quality teachers can prepare you to achieve your IELTS goals.

General English

Acquire new language skills and happy memories! Have a great kiwi experience in our friendly environment. Students at all levels of English ability, from beginner to advanced, will benefit from our General English classes.

Study Tours

Learn English and experience our beautiful country and unique Kiwi culture with EDENZ Study Tours. Each year we welcome groups of students on short term programmes designed to suit a specific need or budget.

 General English

nztesolacademy

ENGLISH LANGUAGE TEACHER TRAINING

Helping people improve their English ability is both personally rewarding and in high demand. Our graduates frequently report how prepared they feel when they start teaching. Our TESOL Certificates and Diplomas are recognised by the NZQA and the British Council, and our trainers are dedicated to passing over 20 years of experience on to people like you. Get into English language teaching and open a world of opportunity, travel and confidence in your own ability.

Certificate in TESOL from EDENZ TESOL Academy (NZQA Level 4)

An initial teaching qualification for English speakers (Native or Non-Native) who wish to Teach English to Speakers of Other Languages (TESOL). Develop your skills further by taking our TECSOL (Teach English to Child Speakers of Other Languages) class option to enhance your ability to teach English to children.

Certificate in TESOL from Trinity College London (UKNQF Level 4)

A recognised qualification from an internationally respected institution. Ideal for higher level English speakers who wish to work in reputable schools, either in New Zealand or overseas.

Diploma in TESOL from EDENZ TESOL Academy (NZQA Level 7)

Ideal for English Teachers wishing to advance their career and develop deeper insights into the theoretical study of TESOL and Linguistics.

Diploma in TESOL from Trinity College London (UKNQF Level 7)

Provides in-depth theoretical knowledge with practical implementation in the classroom, backed by Trinity's world-class reputation and standards. Essential for enhancing employability or further academic study.

TESOL Certificate & Diploma Study Packages

Contact us to learn more about our Certificate and Diploma Study packages for international students wishing to study in New Zealand for 12 months full-time on a Student Visa.

For further information on these courses, including entry requirements, intake dates and prices, see:

nztesolacademy.ac.nz [nztesolacademy](https://www.facebook.com/nztesolacademy)

The course had some challenging aspects but the lecturers were friendly and helpful. The material and ideas for teaching were fantastic and the feedback for the teaching practice sessions was invaluable.

nzbusinessacademy

CREATING TOMORROW'S BUSINESS LEADERS

For over a decade NZ Business Academy has successfully educated and developed business leaders. Our Level 5, 6 & 7 qualifications cater for students' experience and English comprehension with a special focus on understanding and applying management skills within the New Zealand context. Our philosophy is to bring together students from a diverse range of industries and professions with an assortment of age, experience and culture. We then expose our students to innovative training delivered by our experienced and knowledgeable academic staff and present them with NZ-based scenarios and situations.

New Zealand Diploma in Business (Level 5) 1 Year*

Provides students with a broad range of knowledge and skills crucial to successfully operating in the New Zealand business environment.

New Zealand Diploma in Business (Level 6) 1 Year*

This nationally recognised business programme helps you develop practical commercial skills to give you a solid foundation to enter the business world.

Diploma in Business (Level 7) 1 Year

Provides career-minded students with a robust understanding of management theory and practice within commercial and non-commercial environments. On completion, graduates are prepared for management roles in their chosen industry.

NZBA Short Courses

Experience life as a business student. Study business at one of our one-week short courses during the school holidays.

Bachelor of Applied Management – Business Management 3 Years*

To be an effective manager you need more than just business knowledge. You need an understanding of yourself and other people in order to be a high-performing leader in modern times. This degree programme is a solid foundation for you to follow your passions and dreams within a variety of employment situations.

What's different about this Degree?

- Understand people and their motivations in order to become a better leader and manager in the ever-changing global and innovative environment.
- Go beyond traditional business study to focus on understanding yourself and your stakeholders.
- We will help you create networking opportunities and develop your entrepreneurial skills.
- Learn from the lecturers with extensive management experience.

Employment possibilities including junior roles, which lead to:

- Project Manager/Team Leader
- Account Manager
- Communications Manager/Marketing Manager
- Site Manager/Facilities Manager
- Product Manager/General Manager/Operations Manager

The whole point of why EDENZ is different is the multicultural experience. It is like a university and polytechnic and you can't get that anywhere else. I am now a business development manager for an immigration company and I will soon be a licensed immigration adviser.

CHETAN RUDRA

 Diploma in Business

nzfilmacademy

CREATING FILM MAKERS

The NZ Film Academy (NZFA) is run by talented professionals with active careers and real industry experience. Our courses expose you to all aspects of production. From understanding the visual art of storytelling and the challenge of being part of a creative crew, to the intricacies of mastering professional equipment and the reality of production processes. Many NZFA graduates have gone on to work on high profile feature films, study at prestigious international film schools, and some have won international awards. This is the place where it could all start. Our lecturers are active specialists within the local film and television industry. Our classes are small, ensuring we can tailor content to your needs. We believe people learn best by doing. You're a future film maker, who'll be ready to work in the industry.

Certificate in Applied Film and Television Production (Level 4) 16 weeks

Learn to make films with a hands-on practical experience, including pitching, writing, casting, scouting, set design, lighting, directing and much more. Students will have the confidence and knowledge to make their own short films and decide a career path in the film and television industry.

Diploma in Arts & Design (Level 7) 1 Year*

Learn advanced skills through this qualification which has strands in Motion Graphic Design, Visual Effects and Film Production. Gain employment as a Motion Graphics Artist, VFX Artist, Producer, Director, Camera Operator, Production Manager, Cinematographer or Film Maker.

NZFA Short Courses

Experience life as a student filmmaker. Study film at one of our one-week short courses during the school holidays.

For further information on these courses, including entry requirements, intake dates and prices, see:

nzfilmacademy.ac.nz [nzfilmacademy](https://www.facebook.com/nzfilmacademy)

*Pending NZQA approval

Bachelor of Applied Arts – Film Production 3 Years*

Give your film career the edge by understanding your audience and yourself. Get the insights and the skills to make the employers come to you.

What's different about this Degree?

- Make motion pictures that engage the audience, understand people and their motivations in order to create more compelling experiences.
- Go beyond skills and technology to focus on understanding yourself and your audience.
- Create visual narratives that connect on a deeply personal level.
- Learn from the best lecturers with international experience.

Employment possibilities:

- Filmmaker
- Independent Filmmaker (Weddings/Private Events)
- Documentarian (Educational Films/Facts/Reporting)
- Cinematographer/Assistant Cinematographer
- Scriptwriter/Storyteller
- Production Manager/Assistant Production Manager
- Director of Photography/Camera Operator
- Director/Assistant Director

Over the 16 weeks I learnt how to operate a camera, use a sound mixer and many other valuable skills. I am now heading off to Canada to join the film industry there. My 16 weeks were an incredible experience and I look forward to adding to the skills I've gained.

Kelly St-Laurent

 New Zealand

 Certificate in Applied Film and Television Production

nzdigitalmediaacademy

IMAGINE IT. CREATE IT.

Our NZ Digital Media Academy (NZDMA) aims to make you the best in your field, something which is grounded in fact as the NZDMA has maintained an impressive graduate employment rate. Our students learn complete production processes, from concept to final output. In addition to learning the latest skills and techniques, our students train with the latest cutting-edge software. As a leading Digital Media institute we have a strong relationship with animation and creative professionals. For instance, we have a close and unique relationship with Huhu Studios (Snells Beach, Guangzhou, Beijing & Taipei). We have had recent visits from: Weta Digital, Yukfoo, Oktobor, Gameloft and Darkroom. Guest speakers from these studios provide our students with insight into the latest trends, encouragement to higher success and critique of their work.

Diploma in 3D Animation (Level 6) 1 Year

Build the skills necessary to enter the digital media industry. Students develop a strong foundation in design applicable to various areas of computer graphics content creation, including animation, filming, post-production and game development.

Diploma in Advanced 3D Animation (Level 7) 1 Year

Learn advanced skills in 3D Animation to equip you for employment within a variety of organisations in roles such as Rigging Art, Modeller, Compositor, VFX Artist, Concept Artist, Lighting Artist or Animator.

Diploma in Arts & Design (Level 7) 1 Year*

Learn advanced skills through this qualification which has strands in Motion Graphic Design, Visual Effects and Animation. Gain employment as a Motion Graphics Artist, Rigging Artist, Modeller, Compositor, VFX Artist, Concept Artist, Lighting Artist or Animator.

NZDMA Short Courses

Experience life as an Animation Student. Study 3D Animation at one of our one week short courses during the school holidays.

*Pending NZQA approval

The time I've spent learning at the NZ Digital Media Academy at EDENZ has been very enriching. The teachers and staff have been extraordinarily helpful with not only teaching me the skills required for work in the industry but also with navigating the beautiful city of Auckland.

Steven Lobato

 United States of America

 Diploma in 3D Animation Level 6 and
Diploma in Advanced 3D Animation Level 7

Bachelor of Applied Arts – Digital Media Production 3 Years*

To find work in 3D Animation you need more than skills and talent. You need understanding of yourself, and the power to move your audience.

What's different about this Degree?

- Create digital solutions that engage with your audience, understand body language and other methods of communication to build compelling artefacts.
- Go further than skills and technology to focus on understanding yourself and your audience.
- Create imaginative, engaging elements that build on your knowledge of human interaction and identity.
- Apply your skills within or beyond the mainstream employment destinations of game, film and television production studios.

Employment possibilities:

- Graphic designer/Motion Graphic Designer
- Game Artist
- Animator
- Compositor/Visual Effects Supervisor/Assistant
- Scientific/Engineering Visualisation
- Digital Artist/Aesthetic Artist
- Technical Director
- Project Manager/Team Leader

nztechnologyacademy

CREATE TOMORROW'S SOLUTIONS

At the NZ Technology Academy students learn complex technology and leave with specialised technical skills and knowledge. We facilitate the development of knowledge and experience in highly technical areas, which maximise the likelihood of highly paid and lucrative employment opportunities, both in New Zealand and internationally. We pride ourselves on teaching highly complex tools and technology - the type of subject matter that other providers cannot provide and less than capable students avoid.

Diploma in Software Development (Level 7) 1 Year*

Learn advanced skills through this qualification which has strands in Cloud Application Development, Web Application Development, Mobile Application Development and Desktop Application Development. Enhance your capability in developing software solutions with a range of contemporary tools. Gain employment as a highly skilled and technically proficient software developer.

Diploma in Arts & Design (Level 7) 1 Year*

Learn advanced skills through this qualification which has a strand in Interactive Design. Enhance your capability to create meaningful and impactful design solutions for clients with emphasis on design methods and principles of design. Gain employment as a designer of interactive software.

NZTA Short Courses

Experience life as a software developer. Study app development at one of our one-week short courses during the school holidays.
